

Congratulations to Angel in P2 who received a Special Merit Award in Category B P1-P3 of the Tesco Bank, National Galleries Art Competition. Angel's picture was chosen out of 7,516 entries to receive a special award and the theme was "Circus". She was delighted to receive a bag of art materials as her prize and a pile of postcards featuring her painting. Her artwork will also be included in the Calendar which is distributed to every school. Hers was the only winning entry for Midlothian and we are all very proud of her. We enjoyed a fabulous afternoon at the Gallery where she received her prize and viewed all of the entries which were to a very high standard. Thanks to all of the teachers at St Mary's who supported the children in entering this competition and to Miss Todman for coordinating our entries. Angel will go with her class next week to view the exhibition at the National Gallery which will be on display from now until October.

Hannah and Tessa were also prize winners in the Fringe Festival Poster competition. P1 and P6 will visit Our Dynamic Earth on Tuesday next week where the exhibition will be on display throughout the summer. Again a huge thank you to the teachers for supporting the children in their developing art skills.
